From the President

As presidents for the 2015-16 terms, we are looking forward to a smooth transition of officers at the end of June. We have another fine group of people to work with and we are looking forward to getting things off to a fast start. Planning for the lessons class, dances and activities for the year is already started.

A few new things are happening this year and we will be letting you all know when the plans are finalized. Be sure to make it out to the club dances so you can find out what the fuss is all about.

We will be looking for people to help with demos as they come up. We try to

limit the demos to places that can attract dancers and not just entertain. Demos help reinforce what is fun about Square Dancing even if we do not get tons of students. The first big demo is really a dance at the The Mall at Fairfield Commons. Aug 19 our dance will be in partners with Double H and will be sponsored by the MVDC. Don't miss it and invite all your family and friends.

Lesson class is coming. We need all of you to help us get the word out to every one (families, friends, other clubs and the rest). We will have Tom Davis back again this year to do our teaching. We will have some signs that can be put in your yards or neighborhood corners zoning permitting. This got people talking last year and we are looking forward to having the talk start soon. Lessons start in September at Greenmont church. I will be helping Matt & Brenda Howard with the recruiting efforts and will be asking for help. We are always ready to hear your comments about the lesson class and how we can help the new dancers and the club. If you know of any places that we could post an announcement or flyers we would be glad to provide them. Let us know!!!!

Steve & Beverly
Stoehr
President, Kitty Hawk Squares

From the Vice President

Brenda and I would like to thank you for giving us the opportunity to be part of running the club. We will work hard to see that it remains the great club that it is and will be for future years.

As Vice-presidents, one of our main focuses is the upcoming lesson class. Classes will begin in early September and run through late April or early May. Our classes will be on Wednesday night from 7:00 to 9:00 at the Greenmont Church. Tom Davis will be our caller. We are looking forward to an exciting lesson class but we will need your help to make it a fun and positive experience.

First, we need your help in advertising for the upcoming lesson classes. Please socialize the upcoming classes with your family, friends, co-workers, neighbors, etc. We will be putting out signs again this year so if you would like to volunteer to put signs out let us know and we will get you what you need. If you have any ideas on how we can promote the classes, please get them to us for consideration. The more we get the word out, the better chance we have of filling up the class. Flyers will be coming out in the near future.

Secondly and just as importantly as the first point, we will need your help at the classes as angels. The best way we can all contribute to a successful experience for the future dancers is to be able to provide enough angels to help them learn and see that this activity is enjoyable and we are willing to support them as they become part of our wonderful activity.

Again, thanks for the opportunity to work for you and our club. We look forward to seeing you all in a square real soon.

Matt & Brenda
Howard
Vice President

From the Raid Chairmen

We now have what most everyone wanted all winter ... summer and warm weather! So enjoy! If you get warm in a square just remember that the next time a newsletter comes out, we will be looking toward fall and cooler weather. We do live in Ohio and weather always changes.

As always we have some great dances coming up this summer. We will be starting off with a Cheeseburger in Paradise dance with music by Jimmy Buffett. Come and enjoy real cheeseburgers. The trip to Cloverleaf's will be worth it, just remember they travel the same distance to our dance.

Cold, cold ice cream will be at two or the dances in July, so you can check out where and when on the raid list and **PUT THOSE DATES ON YOUR CALENDAR** and come and join us at the raids and retrievals. You are really needed to make a square for the summer. Many people are traveling and we need to support the club with our attendance.

Thank you for your support and see you in a square soon.

Upcoming
Events

The Miami Valley Dance Council is continuing to hold **Plus Workshops** on Monday evenings though the month of July (with the exception of July 4th). The sessions are being held at the Michael Solomon Pavilion, 2917 Berkley Street, Kettering, OH running from 7:00 to 9:30pm. The cost will be \$2.00 per person.

Each session will have a different caller providing the instruction and different sets of calls being emphasized. Different clubs will be hosting these sessions. The hosting clubs will be responsible for provides snacks and angles, though angles from any club are more than welcome. **Kitty Hawks will be responsible for the July 18th session.**

A flyer of the Plus Workshops can be found on the MVDC webpage at: [http://www.miamivalleydancecouncil.org/2016 MVDC Summer Plus Workshop rev.2.pdf](http://www.miamivalleydancecouncil.org/2016%20MVDC%20Summer%20Plus%20Workshop%20rev.2.pdf). (Note: there are no underlines in the URL above, they should be spaces.) This flyer identifies which calls will be emphasized on which sessions.

Note new dancers – Club colors for the Kitty Hawk Squares are red, white and blue, which is why you see so many of our dancers in those colors. Dressing in club colors is NOT required, so come out and dance no matter what color you wear. Square dance attire/western wear is also not a requirement, wanting to dance is; so come out and have fun with us as we dance together.

Remember, check the Miami Valley Hotline [937-294-5511] to make sure dances and lessons have not been cancelled due to inclement weather, problems with air conditioning, or any other issues. The local clubs use the hotline as a quick and easy method to get a message out.
