Something new this year is the addition of round dance lessons. WE will host them on Wednesday at Greenmont Church, from 7 to 9 pm. The location is and time are the same as our Thursday night Square Dance lessons. We will start with beginning rumba and see where it leads.

We are looking forward to seeing you all at lessons and club dances. We really do thank you all for all your help and for making the club run so smoothly. Keep up the Kitty Hawk Spirit!!!

From the President

I hope we all had a great summer and are ready to face all the back to school and upcoming holidays. In some ways, having the summer off from dance lessons was a great relief. I always look forward to the start, but by April I am ready for the break. We seemed to have more on lookers at the mall dance this year so I hope this was due to all of you sending family and friends out to watch us and in turn come out to try lessons. Please consider coming out to lesson class this season and supporting our new students. I know we do not always have a bunch but they need our support and we would like to see you, too.

From the Vice President

WOW, it's hard to believe that summer is coming to an end. It's been an eventful one with our Christmas in July dance and then the Mall Dance in August. I would like to tell you that it is going to slow down but it is now time for lesson class.

Our classes will begin on Thursday, 5 September at the Greenmont Church from 7-9PM. The 5th will be our free lesson with food so please invite your

friends and neighbors to come check out our great activity. Tom Davis will be our teacher again. We will need angels so please try to put Thursday night classes on your schedule.

Also, on Wednesday September 25th, we will be holding round dance lessons at Greenmont from 7-9PM with the rhythm being Rumba with Steve Stoehr and Elaine Wintrow as instructors.

The MVDC will also be holding the Fourth Annual Craft Fair at the Pavilion on Saturday, November 23rd. Let your friends know to come on by and pick up some holiday gifts.

If you have any suggestions for future dances or how to make the club better, please let us know.

We look forward to seeing you all in a square real soon.

Howard

From the Raid
Chairmen

Life in the fast lane is where I am now. Every week's raid note comes faster and I can hardly keep up. Thanks for showing up for the raids the last two months. So far, we have not walked away empty handed from a raid. Also, on another subject. I want to thank Ken, and I suspect sometimes Peg Cizadlo, (editor's note: it's really Ken) for all their help with the newsletter and helping me keep all the raid totals up to date and in the newsletter. Our new raiding spread sheet has helped make the task easier but someone has to sweat the details and

get it done. Thanks for making the Kitty Hawk Newsletter one of the best!!

Please, look over the upcoming raids and put them on your calendar. There are several specials and some just "Good to be Dancing" opportunities planned. Look for the raid note each week and feel free to comment back with any questions or to let me know that you are coming.
